

THE MIRACULOUS HEALER - HOLY QURAN

The Holy Quran is a Miracle and there is a cure in it for every ailment. Each Ayah is a shafa'a and can heal.

Here we share some ayats and their power. We welcome our readers to write in if they have had any experiences and would like to share similar miracles for the benefit of others.

FOR PROBLEMS

Ayatullah Sayyid Ali in his book Kalimatut-Tayyiba said:

Recite the following 11 times after fajr prayers and all your problems/issues will Inshallah disappear:

1. Ayatul Kursi
2. Surat Al-Imran (ayat 2 and 3)
3. Surat Nisa (ayat 87)
4. Surah Taghabun (ayat 14)
5. Surah Taaha (ayat 8)

FOR WEALTH:

- The Aimmah (a.s) have said whoever recites 70 times Surah Fateha will never be poor .
- The Holy Prophet (saww) has recommended for the same that one should recite Surah Waqiyah before bedtime and recite 1000 times Salawat on the Prophet during 24 hours .

For loans that are so large that they are difficult to pay, an Ayatollah in Najaf shared with Sheikh Sakhawat to recite:

100 times before fajr prayers "Al-Istighfar-ul-Kabeer" which has the words "fa zulmi wa jurmi wa israfi.."

(I have come across that dua before and will Inshallah find it and send it. If however someone is already aware of it please forward and share it..)
