

Holy Quran Removes Veils Of Ignorance

PART1

INTRODUCTION:-

God created humans in excellent form... Full of love , intellectual, perceiving, and totally amazing!! For such a beautiful creature thus, did HE (swt) send a perfect guiding book- The Holy Quran, and unique guides- the Ahlul bait (A.S)

Man is indeed a special creation as verse 70 of surah Bani Israil states, *“And indeed We have honored the children of Adam... and We have exalted them over most of those whom We have created, by (high) decree of exaltation.”* But human enhancement is not possible except by sincere attachment to the Quran and Masumeen (a.s).

The Holy personalities are Divine Instructors towards God’s path, and The Holy Quran is chosen as a manual for the intellectual and amazing human machine to perform effectively. To ignore either the Teachers or the Manual proves fatal for man in the both worlds. That is why Imam Ali (a.s) says. *“Those who do not recite the Holy Quran are doing injustice, and those who recite but do not (bother to) understand or follow it, are wasting (precious) life!”*

We shall henceforth Inshallah present short articles every week as summary to a particular Quranic verse. May Allah (SWT) enable us to be enlightened and allow us to progress towards HIM, Aameen.

Q) WHY THE QURAN AND NOT ANY BOOK?

Well the Quran is not just a book, although it may appear so. It is ALIVE, watching and guiding. It is actually conversing with every aware and conscience reader.

Imam Baqir (a.s) advises that we should never under estimate this Divine Book, because it will appear in a beautiful form on the Day of Judgment to give witness.

It will speak out in praise of God’s Friends and will speak against His enemies.
