The Holy Prophet (saw)

“There will come a time upon my Ummah (nation) when:

Their rulers will be cruel; **their scholars will be greedy and lack piety; their worshippers will be hypocrites**; their merchants will indulge in usury and conceal the defects of their transactions; and their women will be busy with the ornaments of the world.

Hence, at this time, the most vicious of them will dominate over them; and their good doers will invoke (pray) but they will not be answered”. **(Bihar al-Anwaar)**
